

Nanton Golf Club – COVID-19 Policies

Prior to arriving at the golf course:

- If you are sick or feeling sick, do not come to the golf course.
- All tee-times must be made either online or by phone. No walk-up play is allowed until further notice.
- Tee-times will be spaced apart to allow for social distancing, and to limit groups congregating at the first tee, or around the clubhouse.
- Golfers must pre-pay ahead of time for their round, either online or by phoning the Golf Course.
- We will be requiring pre-payment for your tee time. To help with this we are introducing two new methods of payment for your round of golf – online check-in through online tee time booking website and payment over the phone via credit card.
- At this time, we are only allowing credit card payment for all transactions. Credit card terminals will be sanitized regularly throughout the day. **We will not be accepting cash at this time.**

Upon Arrival at the Golf Course:

- The requirement for social distancing is 6 feet, and is being strictly enforced on the property. We will not be pairing golfers with unknown individuals.
- Please arrive no more than 15 minutes before your tee time to minimize gathering in all areas.

- We have increased spacing on the driving range which reduces our capacity. Please limit your time to accommodate all members and guests. Range balls are being cleaned regularly between golfers. There will be a maximum of 12 players allowed on the range at a time. Driving Range will be on mats only.
- The Proshop will be closed until further notice. The Clubhouse will be open for tee time check-in and take-out snacks. Entry will be limited, as we will be maintaining social distancing guidelines. Please wait patiently until space is available.
- Merchandise sales will be limited to golf balls, gloves, and tees. An online Pro Shop has been set up and is available through the website.
- A starter will be present to manage tee times
- Club rentals will not be available until further notice. Please do not plan on sharing clubs with any golfers.
- Restaurant will offer take-out only. Beverage carts will be available in compliance with local mandates.
- Public spaces within the clubhouse will be closed to all members and guests. This includes the patio area. We will increase sanitation of our restrooms, golf shop, point of sale terminals and all high touch surfaces.

On the Golf Course:

- Flagsticks will remain in and be untouched. The cups on all putting greens have been modified to allow for easy ball retrieval without the need to touch any surfaces.
- Sand bottles have been removed throughout the golf course.

- Rakes will not be provided for bunker raking at this time. Please do your best to smooth disturbed sand with either your shoe or golf club.
- Do not pick up your playing partners clubs during the course of play.
- We ask you to please forgo the traditional before round and after round handshake, and invite you to create your own socially distanced salutation. We're fans of the putter salute!
- Please ensure that you wash your hands prior to departure from the club.

Further Information

- **The Pro Shop will remain closed until further notice.** We have set up an online store, and we encourage everyone to take a look. The link to the online store is available on the website. **We would like to encourage members to please support local and purchase any golf merchandise from the online Pro Shop.** Members will be able to order online and pick-up in person from the clubhouse the following day. The Pro Shop will be providing members with their 10% member discount, and will match or beat any advertised prices. While our in stock selection may be limited, **we are able to order anything you are looking for at competitive prices.**

Please ask Pro Shop staff about custom order options.

Online Store Website: <https://nantonproshop.com>

- **Food and Beverage will be limited to drinks and snacks only.** The clubhouse is not permitted to open until May 14th, and we are awaiting further government instructions before we set a plan in place. In the meantime, there will be take-out snacks, and drinks available for purchase in the clubhouse for take-out only. **Selection may be limited, as the**

opening was sudden and large orders are not able to be delivered

immediately. Please be patient as we get our stock levels up. In order to place an order please phone the clubhouse and we will prepare your order for pickup on your way through. We are also looking into further options for beverage cart service, or on course delivery.

- **Power Carts will be allowed.** We will be renting power carts to members and guests. Power carts will be available for single riders, as **we will not be allowing anyone to share a cart unless they are someone you live with.** As we have a limited amount of carts we would like to encourage walking so that carts are available for those who can't play without them.
- **Pull Carts will be available for rental.** We have a limited amount available, so if you have your own please bring it with you to the course.
